WORK EXPERIENCE

Kalshi

New York City, NY

Social Media Marketing Producer (Contract)

June 2026 - July 2026

- Produced a World Cup campaign that generated **1M+** combined views, **80K+** likes, and **10K+** saves across TikTok
- Executed a sponsored social media campaign after being engaged by Kalshi to produce World Cup content in partnership with a creator
- Developed original campaign concepts and platform-native video ideas that aligned with Kalshi's marketing objectives while maintaining the creator's authentic voice
- Planned, filmed, and edited sponsored content for TikTok and Instagram using Adobe Premiere Pro and CapCut, optimizing creative based on campaign briefs and platform performance
- Collaborated with Kalshi using Meta Business Suite and campaign performance insights to refine creative direction and ensure on-time delivery

Simmis Table

Hawthorne, NJ

Content Producer (Freelance)

March 2026 - Present

- Launched and led Simmi's Table's organic social strategy from the ground up, helping drive the restaurant to profitability within 2 months and contributing to its recognition as 2nd Best Restaurant in the county
- Grew Instagram from **0 to 5K+** followers in five months, building a family-first content brand centered on comedy, food, and culturally relevant storytelling, including a top-performing Reel that reached **1.1M** views
- Produced breakout content generating **59K+** likes, 950+ comments, and 23K+ shares, using Instagram Insights, Meta Business Suite, KPI reporting, and creative testing to analyze performance and refine hooks, formats, and concepts
- Develop recurring series, comedic POVs, trend-driven concepts, and behind-the-scenes storytelling, maintaining a recognizable family-first brand voice while driving organic reach, engagement, and local customer awareness

The Anand Agency

New York City, NY

Content Producer

August 2025 - Present

- Manage social-first content production for digital creators across TikTok, Instagram, and YouTube, overseeing concept development, filming, editing, and platform optimization across culture, entertainment, sports, and emerging trends
- Produced creator content generating **6.7M+** organic views, **700K+** likes, **24K+** comments, and **300K+** saves, leveraging audience retention and performance insights to refine hooks, formats, and creative strategy
- Develop creator-specific content strategies, original concepts and recurring content formats that translate creator personalities, pop culture, and cultural moments into highly shareable short-form storytelling
- Produced real-time content surrounding the 2026 NBA Playoffs, earning amplification from **Complex** and **Bleacher Report**
- Turn livestreams and long-form footage into high-performing social content while managing fast-turnaround production from concept through final delivery

Instagram

Content Creator

January 2017 - May 2020

- Built and scaled an original comic book and pop culture brand from **0 to 31K** followers, establishing a recognizable voice in the niche humor and comic fandom space
- Produced content that organically captured the attention of A-list celebrities, resulting in material being engaged with and shared to audiences of over **100M**
- Consistently generated thousands to tens of thousands of likes per post, reflecting a sustained ability to create content that deeply resonated with a large and active audience
